MEDICAL DEPARTMENT

LU/ADMIN/MED/STUD/Vol 1/1

28th August, 2017.

TO: LAIKIPIA UNIVERSITY STUDENTS

RE: MEDICAL SERVICES.

1. First Years' Medical Certification.

All incoming first years are reminded that their medical certification prior to admission should be done ONLY by bonafide medical practitioners.

This may also be done at The Laikipia University Medical Center on the admission day.

2. NHIF REGISTRATION.

All Laikipia University students (Continuing and Freshmen) are reminded to have their NHIF registration done (as dependents or as individual contributors) and nominate Laikipia University Medical Center as their outpatient facility.

The respective forms are available on the NHIF website and nearest NHIF offices.

This should be done before the respective reporting dates.

Dr. Mike Mulongo,
University Medical Officer.

Vision: A University for Valued Transformation of Society

Mission: To serve students and society through research, education, scholarship, training, outreach and consultancy

Laikipia University is ISO 9001:2008 Certified
