Brief Auto-biography of the Faculty/Staff

Dr Isaac G. Gitogo PhD is an educator with an experience of over 30 years in the Kenyan education sector. He taught in various secondary schools in Kenya between 1987 and 1998 before joining the Ministry of Education as an education administrator. He served as a field officer in several counties in Kenya up to 2013 when he joined Laikipia university. Dr Gitogo is passionate about creating an enabling environment that assists learners at all level identity and hones their talents. Besides being an instructor of curriculum studies, Dr Gitogo has also been the chair of the outreach programme at the school of education. The outreach programme has been working towards raising the academic standards among the primary and secondary schools in the Laikipia university neighborhood. He is an ambassador of Teacher Educators in Sub Sahara Africa

(TESSA) whose main goal is exploring and identifying where novel pedagogical developments and advance in technology meet to maximize the realization of academic potential among the 21st Century learners. Besides, he is the chairperson of the Laikipia University Staff Benevolent Fund.
