

DEPARTMENT OF COMPUTING AND INFORMATICS

Name of Faculty/Staff: Edwin Omondi Ambogo

Designation/Rank: Senior Technologist

Laikipia University: School of Science and Applied Technology

Email: eomondi@laikipia.ac.ke

Educational Background:

- Master of Science in Computer Systems (JKUAT)..In progress
- Bachelors in Instrumentation and Control Engineering. Egerton (2009)
- Diploma in Electronics Engineering (Mombasa Polytechnic) (1998)

Brief Auto-biography of the Faculty/Staff

I am an Electrical and electronics engineer with a major bias in computer electronics, control and information systems. Currently I am in charge of hardware/software section of the department. The section deals with ICT equipment maintenance and repairs, support and mostly ensuring that the university purchases accurately specified computers, laptops and printers. I have served the university in several capacities since 2003 to date.

Research Interest

- Electrical engineering
- Control and information systems
- Computer electronics
- Embedded systems
- Computer Systems
